Virginia from Dudley is fed up with being a doormat for her husband and is looking for a part time sex slave of her own. "My husband always takes advantage of my good nature and I'm sick of it. I need to relieve my tension and the best way I know how is with sex. If I fuck my husband it would be like rewarding his attitude with sexual pleasure so I want to find a man that will be my part time sex slave. Someone who will let me fuck them really hard whenever I feel the need. I want to ride him until I come so hard that I feel like I'm going to explode."

Sharon

“I find my job can be very quiet, which sometimes makes me craving for a lunch break to get out for an hour. Recently I've been getting visits from my husband Ben who works nearby. Therefore he is able to meet me for lunch. It's not just any lunch, we've started going to toilet and make sweet love in one of the cubicles. He rips my knickers off and starts pounding his hard rod into my wet pussy. It's amazing and it feels like I'm twenty-one all over again. I think the idea that we could get caught is another massive turn on and makes me even hornier than I already am.”

**Terri
Travis**

Terri loves attention and does everything in her power to get it.

“I’ve stripped off in the middle of bars and fucked a guy on the bonnet of his car in front of his mate for attention. I think I’m addicted to the attention more than I’m addicted to sex. I love being on display and I wear very sexy clothes or very little! I’m open-minded and have tried most sexual perversions including bondage. I have a whole wardrobe of dress up clothes, leather and latex. I’m what you might call a girl for all occasions.”

Gloria

Having an affair with her neighbour has really spiced up Sammy's marriage. "My husband has loved the new me since I've been fucking the guy next door. I don't think he knows why I've been so happy and horny but I don't think he's complaining. The excitement of being caught is so arousing."

Melissa Craig from Suffolk is pure filth and loves nothing better than to get caught by her husband fucking another man. "I know how jealous my husband gets and he can always gets so cross, but I get the best fuck of my life when I get him calm, and I smother him with kisses. my husband works nights, so I just go out with my girlie mates that are mostly single, so I get chatted up at the same time as they do. All girls like a compliments and I'm a big sucker for them. But I don't stop at phone number swapping I take them home for a fuck. My husband doesn't always catch me, but he does find some clues, like the stains in the bed. But he knows that I love him, even though I have a twisted way of showing it."

Unfortunately my husband and I are leading separate lives, we get on as friends, but our sex life is nothing like it was. If I'm being honest I think it's because I'm just too dirty for him. When we first got together he only knew one position and that wasn't good enough for me. I'm a full-grown woman who needs more than just a kiss and a cuddle. I want to be thrown across the room and treated to a hard fuck, I don't mind a few bumps as long as I get a cock to split me in two. I have cheated on him, but I'm at the point where I don't care if he knows or not. I'm going to get myself some more cock and fully inflated balls and give them a good squeeze, making sure I get that hot sperm all the way down my throat. A guy I met a few weeks ago took these photos; I think they're pretty hot!

Bett Ayes

I'm a desperate old dear who is looking for a bit of male company. My husband has lost all interest in our sex life, but I still need fulfilling, so I went and brought myself a laptop and took an evening class to learn about surfing the internet and using a computer, as I have very little experience in using one. I'm now having so much more fun surfing the net by myself whilst my husband is downstairs asleep on the sofa either sleeping or watching a boring documentary about the war. On the first evening that I did this I was up all night wanking away to all sorts of films and pictures of people fucking and sucking each other. I really got into it, and now I'm ordering sex toys on line to use while I watch sexy movies of young guys sticking their eager cocks into a sixty year old pussy, just like mine. It's got me thinking that there's no reason why I couldn't be one of those ladies being abused and covered in come. I'd love to have a video of myself on the net for other people to watch over and enjoy, and I'd really like to be fucked by two guys at the same time too.

It had always been my ambition to travel because I love learning about other cultures, I hate to admit it but I'm a bit of a geek really. The idea was I was going to travel from country to country seeing museums, galleries and sites of historical interest, which I'm still going to do but now I'm also desperate to try out all different men in every country and city I go to! I wonder which nation has the men with the biggest cocks and who are the best lovers? I'm excited about what all of the men are going to do to me and I'm going to be very open minded when it comes to trying new things when I'm having sex

"I get so horny thinking about all of those hot young men out there who have got their dicks in their hands and are happily wanking away over my pictures. I'd like to have them do it for real but I guess that's never going to happen is it? I guess I'll just have to imagine it for now because women my age find it very hard to find men for sex, which is such a shame because everything is still in perfect working order and I'm ready and raring to go!"

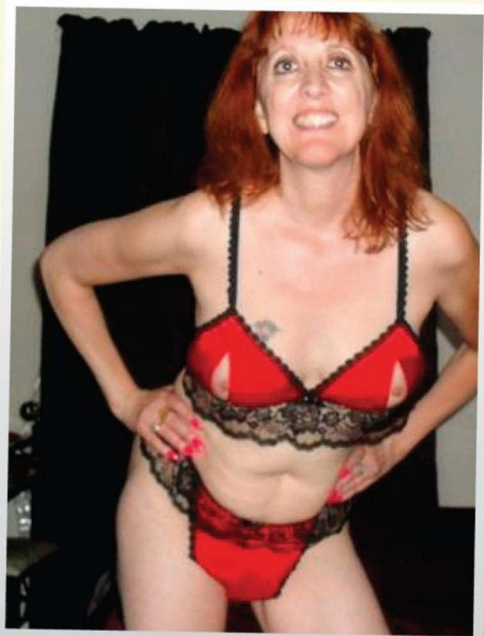

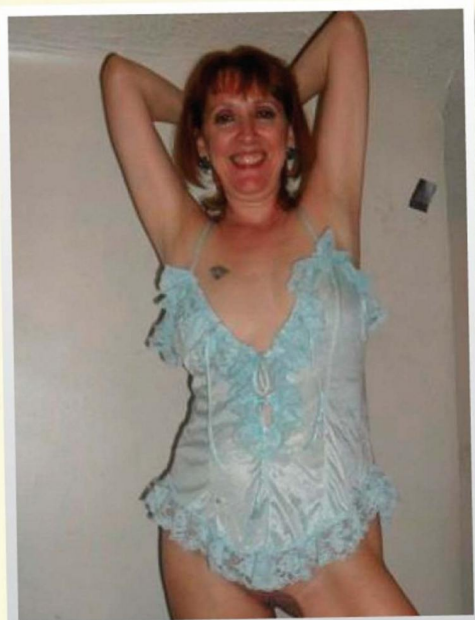

READERS' PHOTOS!

YOU CAN GET IN TOUCH WITH THE GIRLS BY WRITING TO THEM AT:
Fantasy, PO BOX 62671, London, EC1V 9WE.

We receive so many photos every month and for those readers unlucky enough not to win £200 and a professional photo shoot we've reserved these pages especially for you! We love receiving all of your pictures and the magazine wouldn't survive without them so if you'd like to be in with a chance of winning £200 and appearing in the magazine turn to page 29 to find out more!

"I had never wanked before but when I heard my friend talking about it one day, I decided I was extremely horny and I just had to give it a go. Having a fumble in my knickers was one of the best satisfying experiences I have ever had. To be honest, I now realise that my boyfriend wasn't giving me as much pleasure as I should have been receiving. I took it slow and slid my fingers into my wet pussy and started rubbing my clit. I gradually got faster and harder as I pumped my fingers in and out of my extremely wet love hole. I came harder than I have ever cum before. I don't know if my boyfriend was a lousy fuck or if I have magic fingers."

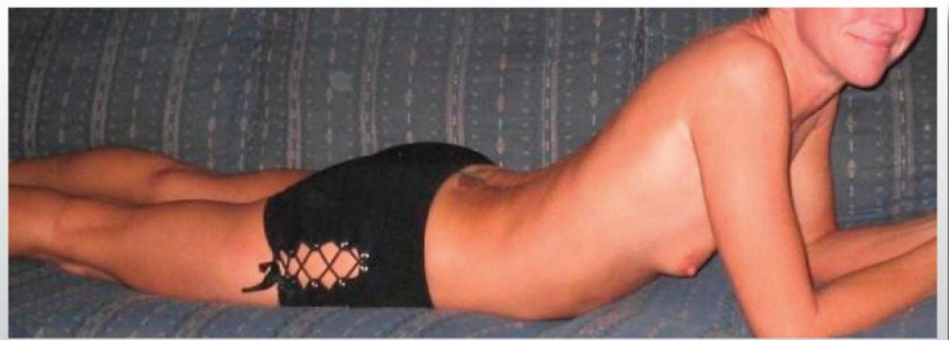

Diana

Mary

"I love receiving special gifts, especially after I have done all the hard sucking and fucking a good wife should do for their husbands. I have done modelling on and off, but I'd really like to do movies. I'm salivating at the mouth thinking of all those hard cocks ready for me to mouth and deep throat until I reach the hot white nectar."

Sam

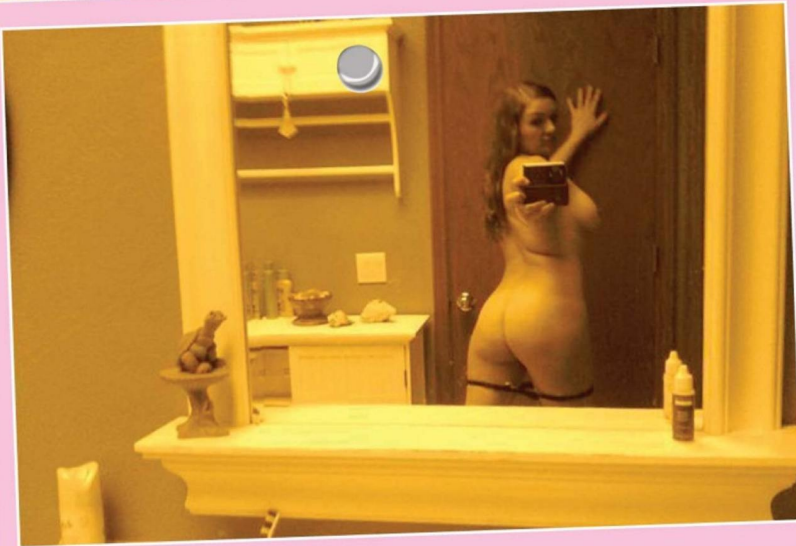

"I took these pictures of my gorgeous wife Sarah the other week as we were getting ready to go out. What started as an innocent bit of fun with my new camera, turned into a very filthy sex session. Instead of getting changed to go out, we ended up completely naked and an hour late for our evening out."

Hi guys, what do you think of my horny photos, I hope you like them? I've always enjoyed posing and it's so exciting to think of all of the men out there who are getting turned on seeing me in the nude. I always shaved my pussy clean so that you boys can get a nice view of my designer vagina! Looking at me you would have thought that I'd had tonnes of cocks inside my pussy but you'll probably be surprised to hear that I've only ever had sex with five different men. I

don't mind showing my body off to other men through photos but if you want to get in my knickers and see me naked in real life I'm afraid it's going to take quite a lot. I like to be wined and dined and I never sleep with a guy on the first date. I like to think that I'm a bit of a classy chick really! All of that aside, please do feel free to pull you big willy out and have a long hard wank over my photos whilst imagining that your cock is in my wet pussy! x

"My husband and I love having dirty, red hot sex where anything goes, the more disgusting and pervy it is, the better! He loves to treat me like a sex doll, moving me into whatever position he fancies and just like a real blow up doll I never answer back, I just let him do whatever takes his fancy.

Peggy

I'm such a horny bitch that I have to absolutely masturbate into my tight white knickers, just about everyday. My husband seems to have forgotten that I am not just his wife but also his lover, having sex with him is just so robotic and boring, we hardly ever have any. These days I am pleasuring myself with my two little fingers or a vibrating toy massaging my pink walls of my pussy. I would really love it if someone would get in touch with me and help satisfy my slippery pussy, its just gagging for a good fuck. Please help!

Unfortunately my husband and I are leading separate lives, we get on as friends, but our sex life is nothing like it was. If I'm being honest I think it's because I'm just too dirty for him. When we first got together he only knew one position and that wasn't good enough for me. I'm a full-grown woman who needs more than just a kiss and a cuddle. I want to be thrown across the room and treated to a hard fuck, I don't mind a few bumps as long as I get a cock to split me in two. I have cheated on him, but I'm at the point where I don't care if he knows or not. I'm going to get myself some more cock and fully inflated balls and give them a good squeeze, making sure I get that hot sperm all the way down my throat. A guy I met a few weeks ago took these photos; I think they're pretty hot!

Granny sex in all its glory and filth is in extremely high demand by young and older guys - my name is Beth and I'd love to explain why I enjoy being on a adult chat sex line every day having orgasm after orgasm and making ordinary guys wank off over their phone - I even have a 100% cum rate on all my callers so try as you may you will be unloading and letting go of all that frustration and sense of total relief that you will find you just cannot do without. Myself I am 45 and divorced but my sex drive seems to be higher than when I was 20 and the need to be fucked is so great without these adult chat lines I could not survive with my absolute desperation for cock, I know I am an easy woman so let me give you the most extreme in phone sex chat.

I got so excited in this photo shoot that I started masturbating, which I have never done in front of strangers before. Paul got so excited watching me that he had to run off to the bathroom and bash one out. He told me afterwards that I had turned him on so much that he was seconds away from coming when he ran off to the bathroom and that he just about got his trousers down by the time he shot his load. I have never been happier than I am now, it's all so great."

■ ■ My husband has just redecorated the back room for staying guests. I suggested that we christen the place the way we used to when we were a lot younger. I went up stairs and

put on the sluttiest outfit I was saving for his birthday and put the family camera in his hand and told him to snap away until his cock was hard and in need of being sucked and fucked!"
